

Please join Tactical
Tech, Idasa and
Wingseed Media
for a screening of

10 tactics

for turning
information
into action

A 50-minute documentary film, by Tactical Tech, about rights advocacy in the digital age. '10 tactics' tells 25 compelling stories of innovative rights activists around the world who've successfully used information and digital technology for social change.

ON 17 March, 6:15pm
AT Idasa, 6 Spin St, Cape Town
RSVP [faith\[at\]tacticaltech.org](mailto:faith@tacticaltech.org)

On March 18, 9-12am, Idasa will host a follow-up workshop on digital technology for advocacy. There are 25 spaces available for rights advocates and independent media. Please indicate with your RSVP if you are attending one or both events.

“Activists and campaigners are increasingly turning to digital technology and social media platforms to get their messages across...’10 Tactics for Turning Information into Action’ provides a handbook in how best to disseminate their ideas.”
